CAL Time-Sharing System

Status, 29 November 1971

CAL TSS has been discontinued pursuant to a decision formulated in the Chancellor's
office. Software developement ceased immediately. A buyer is being sought for
the 6400B system and sale of the hardware will terminate customer hours on CAL TSS.
In the meantime, CAL TSS will be available on the curtailed schedule given below.
It is anticipated that the system will be available until the end of the current
quarter.

A preliminary draft of the Chancellor's decision stated that the computer center
would not provide an interactive computing service. Only customers with funds to
buy their own system or buy time on commercial systems would have access to such
service.

Questions should be addressed to the Chancellor's office.

Schedule. Weekdays - Start loading at 1000, start dumping at 1500.
